## Cable Free

ISEO Ultimate Access Technologies presents 1NCA Readers: an innovative range of multi-standard, wall-mounted and weatherproof readers.

A solution created by ISEO to meet the needs for a reliable and durable access control, required to manage internal and external gates of residential buildings, companies and utilities environments.

Discover these brand new easy-to-install readers created with advanced functionality for a reliable access control which gives you peace of mind and unlocks your freedom to move.

Among 1NCA Readers products range we have Cable Free, available in three versions depending on the needs and the environment of installation.

No cabling

Preserve door integrity

Interoperability
